

ICORE AUSTRALIA 2008 POSTAL MATCH SERIES No 3/2008

This is the 3rd match in the ICORE Australia postal series. Only 2 months to shoot this one. As usual the intention of this match is to try and promote ICORE awareness in Australia but it is open to anyone, anywhere on the planet to compete as long as they use a revolver and follow the rules. You do not need to be a member of ICORE to compete. Only shoot the match once on a given date however you may shoot on as many different dates as you like. The score shot on the earliest date counts toward the end of series aggregate.

The 4 stages are straightforward and only require 2 set-ups. You will have to shift some shoot boxes around. If you have any doubt about the rules, a copy of the ICORE rulebook can be found at www.icore.org and if you have any other questions about this postal match send me an email at kenmbark@aol.com

This postal match is to be shot between 1/7/08 and 31/8/08. (2 MONTHS)

After you have shot the match can you please send me a match summary including the date shot, the host club and the country. In the summary please include:
