

# 8th ICORE INTERNATIONAL POSTAL MATCH (2008)

Its time again for the ICORE International Postal Match. Last year we had 347 shooters compete in this event. This will be the 8<sup>th</sup> year of this match and hopefully we can crack 400 shooters this year.

Once again the idea with this International Postal Match is the promotion of ICORE in general and to get the word out there about how much fun shooting a revolver in this type of match can be. If we all make the effort to get some first time ICORE shooters to shoot the match it helps spread ICORE awareness out there amid the shooting public.

You do not have to be a member of ICORE to compete in this match.

This match is to be shot over the period from 1<sup>st</sup> September to the 31<sup>st</sup> December 2008.

Anyone, anywhere may compete. Being a postal match it is important to set up the stages as indicated in the stage diagrams and of course your honesty counts. So please make the effort to be fair to all.

Be sure of the rules when running this match. If there are any doubts then download yourself a copy of the rules from [www.icore.org](http://www.icore.org).

You are welcome to shoot this match as many times as you like, however to be fair to all, please only shoot it once on the same date in the same division.

To make my job easier, after you have shot the match please send me a summary of the results as an Excel file laid out this way:

Name	Division	Junior/Lady	ICORE No	Date	Country	Host Club	Stg 1	Stg 2	Stg 3	Stg 4	Total
	O/L	J/L	If member								

Please get the results back to me as soon as you can after shooting the match. Send the results to me at [kenmbark@aol.com](mailto:kenmbark@aol.com) and any questions you have send me an email. When you do email the results to me I will email you back confirming receipt of your results. The overall match results should be out early January 2009.

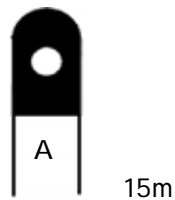

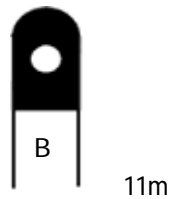

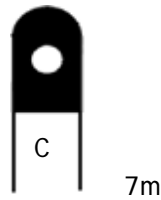

Be safe, enjoy the match and introduce someone new to ICORE.
